

## **FISCAL NOTE**

### **HB 43 - SB 582**

March 24, 2007

**SUMMARY OF BILL:** Requires litter that is removed by DUI offenders to be recycled within the county's recycling program.

#### **ESTIMATED FISCAL IMPACT:**

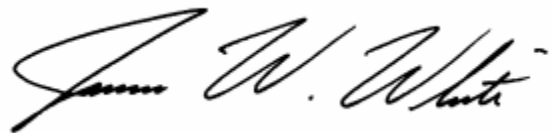

**Increase Local Govt. Revenues – Not Significant**  
**Local Govt. Expenditures – Net Impact - Not Significant**

Assumptions:

- Counties that have a DUI litter pick-up program can instruct offenders to pick up only those items which can be recycled.
- Any increase in local government expenditures to implement the provisions of the bill is estimated to be not significant.
- Any increase in local government revenues due to additional recycling revenue is estimated to be not significant.
- Any decrease in local government expenditures due to paying less in landfill fees is estimated to be not significant.
- Those programs that do not have a DUI program in place for statutorily valid reasons will not be required to implement such program.
- Virtually all counties have some type of recycling program even if only for paper and cardboard.
